1. Run a search query by clicking Start a Query:

Note: You may *search* a single category to filter results or apply multiple categories altogether.

There are 7 *search* categories which include: **General Info, Geography, Demographics, Physical Features**, Leasing Info, Companies, and Stores.

3. Enter desired filters and click the **View** button.

Note: In this example we have 3 categories in our **Search Criteria.** They are **General Info**, **Geography**, and **Physical Features**. The number of results are 157.

4. Here is an example of a list of results by default it is sorted by **Center Name** in *ascending* alphanumerical order.
